More than just a name . . .
to a few people, South Umpqoa High may only mean a place that they have to come to for seven hours, when they could be doing something else. But, to most, South Umpqoa High is much more. It is a place to learn, to grow, to share life with others, and to build a future.

South Umpqoa High School is more than just a name. South Umpqoa is a symbol of community, a source of knowledge, a place to meet people, and a place to discover yourself. South Umpqua means pride, dedication, and adventure.

The freshmen scored wins against Illinois Valley (44-0), North Valley (36-8), Glide (26-19), as well as Yoncalla, and Phoenix. The teams three losses were all very close games. The freshmen lost to Freemont (23-16), Jolane (7-0), and Rogue River (13-12).

'83-'84 LANCER CROSS-COUNTRY

Varsity runner, Marty Lore, jogging to the finish at the S.U. meet.

The 1983-'84 season was a very eventful one for the South Umpqua Cross-Country team. The team put in good showings at most of their meets, usually taking third to fifth place overall.

Going into the district meet at Rogue River, the Lancers were trying for, at best, a second place spot that would make them eligible for the state meet. The teams from Rogue River and Henley were running at their best, and it was almost a sure bet that one of the two teams would capture the first place spot and go on to the state meet. If S.U. could take the second place spot, they too could go on to the state meet.

The Lancer's hopes of going to the state meet were broken at the district meet. Despite some injuries that occurred, the team was running to the best of their ability. Things didn't go the teams way, and they had to settle for a fourth place spot at the district meet.

The first ever school sanctioned soccer team in Douglas County, the SU Lancers, didn't have a good season. But with a 4-8 record they didn't do so bad either.

The team had a rough time getting the school board to accept it as a school sport, but the second time they finally did.

The team also had a rough time with injuries to eight players. One injury put Blain Middleton out of 5 games with a fractured foot.

The Freshman volleyball team put forth a lot of effort this year. They were able to work together and achieve a lot. Individually, the girls developed a lot of new skills, that will be very important for them next year. The girls also made a lot of improvement over the year. Next years team should be able to achieve everything that they set out to.

The J.V. Volleyball team may not have had the best record, but they did learn to work together and how to play the game. The J.V.'s finished the season with a record of 3-13. "We were blessed with some good servers, particularly Karen Knox and Tonya Ackerman. Another good point was defensive skills of some players, such as Kristy Sperling," stated Mr. Wicker. The team tended to become easily discouraged — if the girls fell behind, they would have a hard time coming back and competing. Wicker stated that there were no special awards given to the players.

"The 1983-1984 Junior Varsity Basketball team was competitive, winning eight games and losing five by under 5 points. Illness, injuries, and inconsistency at key positions led to a sub-par year," states Coach Picton.

The junior varsity team had many outstanding players. Sophomore, Mark Stauffer led the team throughout the year. Joel Hope and Matt Shirtcliff played enthusiastic ball while teammates, Darryl Barnett and Brian Johnson earned starting positions on the varsity basketball team.

"The people will see a marked improvement next year. Basketball will be popular at this school again next year. I'm looking forward to next year; it will be a complete turn around. "The team has no weaknesses they are a great bunch of young men. They have showed tremendous strength in areas of working hard to learn the moves to build their strength, the desire to acheive and give a 110% effort.

A great effort is just exactly what they gave us. The JV wrestlers had five placings at districts. Placing 4th at 141 lbs. was Jaki Okorn; Dennis Standish placing 6th at 157 lbs.; Mike Nuzum placing 5th at 168 lbs.; Sam Jeffries placing 4th at 178 lbs.; and Ed Davis placing 6th at 191 lbs.

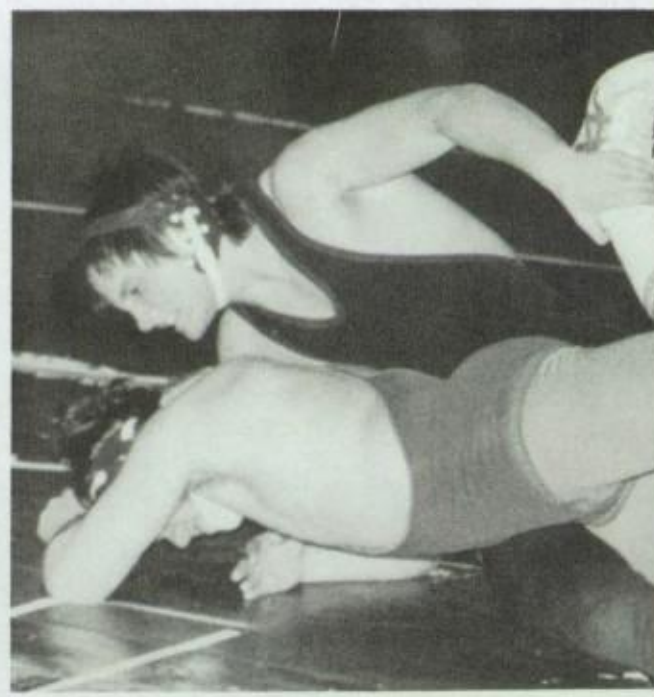

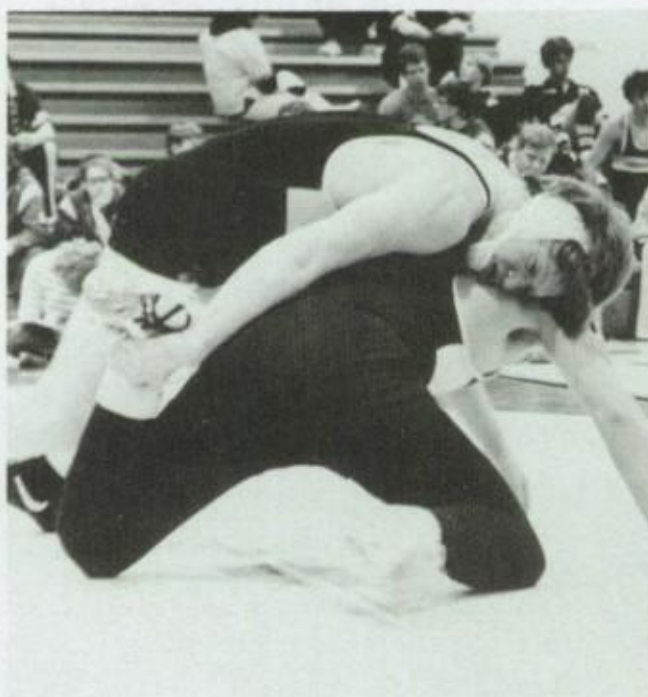

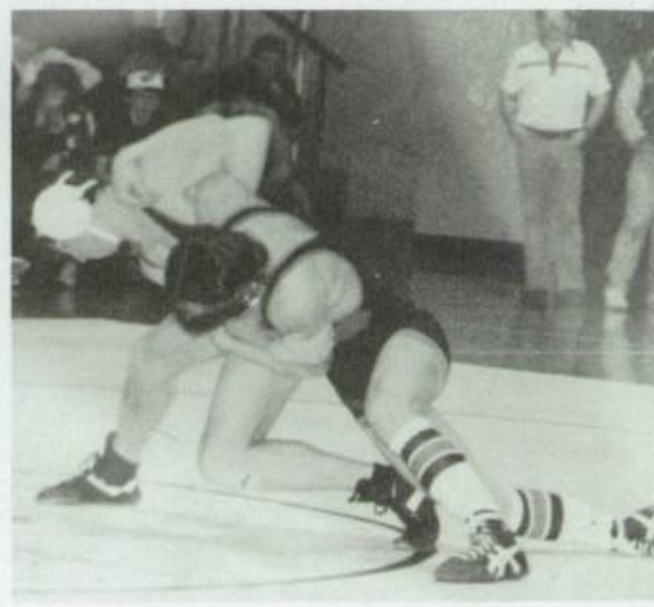

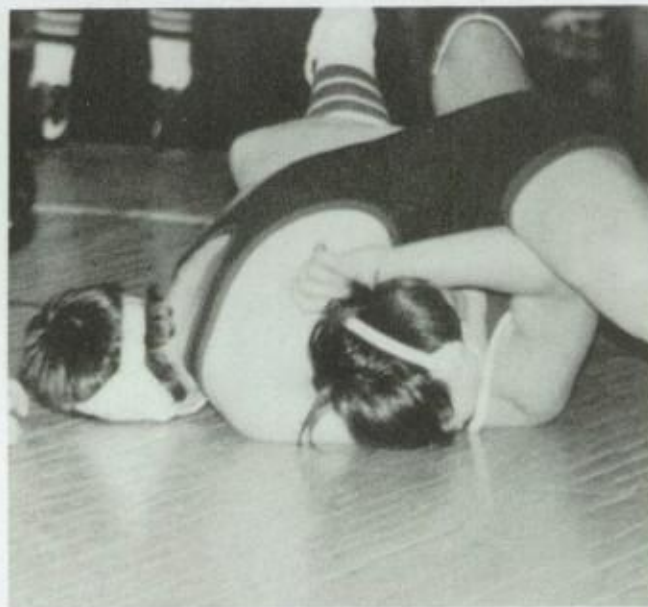

Along with the achievements at districts, the JV also helped the Varsity team to acquire the trophy at the Holiday Classic in which they placed 4th.

"This year we had a group of young men who wanted to achieve and better themselves in all areas of wrestling "coach Hughes said.

"Their experiences from this year were very rewarding. They did more than just wrestle. The JV wrestlers gained strength and confidence of themselves and the team. These qualities will stay with them throughout the years to give us a spectacular Varsity team." Hughes concluded.

The freshman baseball team wound up the year with a 4-8 record. Inconsistency and lack of experience against older players was too much to overcome, according to coach Picton. Several players played outstanding baseball: Dennis Muir, Kevin Sheldahl, and catcher, Richard Johnson. Mr. Picton said, "Winning comes from dedication, a desire, and believing in ones' self".

CLUBS

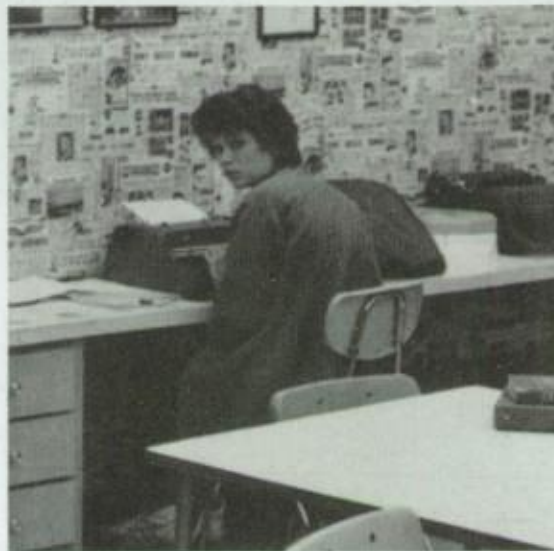

Clubs, there more than just organizations ...

The clubs at S.U. play a very important part in our everyday life. Over 50% of the student body, belong to some sort of club, whether its Mechanics, Outdoorsman, FBLA, Deca, Student Council, or Biology Club.

Most of the clubs meet at least once a month, some meet twice a month, and a few meet as often as once a week.

The most important aspect of these clubs, is to give the students a feeling of participation, and to let them learn to take charge and organize, and most of all, to learn good leadership rules.

Without the clubs, S.U. would be just an ordinary school.

Some freshman girls looking busy in the lockerben

Being the first class to come from middle schools, the class of '87 quickly fit in with the normal high school routine. The first week was filled with some confusion, trying to find classrooms or getting schedules straightened out. After a few days, most people were pretty well settled in.

Homecoming was something new and exciting for most freshmen, although they were a little unsure about the traditions of this event.

The freshmen class competed in a tug-o-war match with the sophomore class, and, unfortunately they lost. But, they'll have another chance next year.

AN UNFORGETTABLE NIGHT OF . . . JUST YOU AND I

JUST . . .

YOU . . .

AND . . .

For those who went, the prom was an unforgettable occasion. This year's prom, as with every year, was met with mixed emotions. Some were thrilled to be there for the first time, and others were a little sad to be there for the last time. Everyone, however, had a good time, and the prom was a success. Perhaps, teacher, Barbara Taylor, summed it up best:

"It is sure nice to see all of the kids dressed up so nicely and having a good time. But, it will be kind of sad to see them all back on Monday in those some old clothes."

I . . .

THE PROM, THE PROM, THE PROM, THE PROM, THE PROM

SCHOLARS OF 1984

The students above are members of the top ten academic group. Back row, from left: Beth Lonergan, Darla Ackerman, Mike Herbert, Tim O'Leary, and Jerry Hawkins. Front row: Diana Smith, Eric Thompson, and Kerri Albertson. (Deena Bryant- not pictured)

Valedictorian for the class of 1984 is Mark Taylor, who finishes his four years of high school with a grade point average of 3.98. Mark plans to attend Northwestern University College in Chicago.

"Snoopy" Musical cast.

Snoopy, Eddie Dimock

Terri Ishee, Ed Dimock, and Joe Cowan exchanging lines.

Both Mr. Lorts and Arnie had fun working on this musical play. They enjoyed working with the kids and each other and thought the play was a success. When asked if he was going to continue doing these plays Mr. Lorts said, "Right on!"

Above: Ed Dimock (Snoopy) looks on in amazement. Right: Terri Ishee waves her finger in mock anger.

For all of us that finished the year, we have each added our own uniqueness and individuality to make South Umpqua more than just a name. We have each found our own place among the crowds that exist within these walls and created something special — whether it be special friendships, special accomplishments, or achieving a special goal. South Umpqua *is* more than just a name!

In these halls, we have found acceptance by others; we have learned about life; and we have advanced one step further along the path of life; but, most importantly, we have found ourselves — who we are and what we mean.

We have grown, and each in our own separate way have contributed a part of ourselves to life South Umpqua far above just a name.

Editors Note:

As a friend and as a graduating senior, I would like to thank all of the teachers, administrators, and fellow students who have helped me along the way through the past four years.

You have helped me to grow, learn, and to accept my responsibilities as a human being.

My thanks and appreciation goes out to you all, my special friends.

Sincerely
Eric Thompson
